<https://www.udemy.com/certificate/UC-L8YQ0TIO/>

## PERSONAL PROJECTS

### Product Promoting MERN Stack Website (03/2021 - 05/2021)

- Worked on a product promoting website using Front-End and Back-End technologies.
- Able to connect small businesses/start-ups with influencers for their marketing and their product promotion.

### Memories Sharing MERN Stack Website (03/2021 - 05/2021)

- Worked on a social media type website using Front-End and Back-End technologies.
- This website shares the memories of people in the form of images, videos, audios posts etc. It basically acts as a social media website.

### E-Learning Chat Applications (08/2020 - 11/2020)

- Created an application/platform using Flutter (Dart), where students and Faculties can interact and solve their queries and doubts for an easy flow of the university.
- App allows users to learn by using podcasts, videos, and other mechanism on their smartphone.
- Feedback system for the professors by the students.
- Assigning role to the professors and the students.

### Technology Blogging Website (09/2020 - 12/2020)

- Created a Front-End website for game and technology blogging using HTML, CSS, JavaScript and Bootstrap.
- This website provides latest articles and blogs in the field of games and technologies.

## EXTRA/CO-CURRICULAR ACTIVITIES

Attended workshop on Making static websites using Front-End Technologies.

Attended workshop on Android Application using Flutter.

Attended workshop on Data Structures and Algorithms by Coding Blocks

Participated in SRIJAN (FEST, GLA)
